SUBJECT: 8-LANE USE AT THE EUROPEAN SWIMMING CHAMPIONSHIPS - DEBRECEN 2012

April 12th, 2012

Dear Friends,

Following the recommendation of the LEN Technical Swimming Committee, the LEN Bureau confirms that the 2012 European Swimming Championships in Debrecen to be held from May 21st to 27th **will be swum in 8 lanes.**

The LEN TSC has carefully measured and considered the characteristics of the competition pool, determining that swimmers in lanes '0' and '9' would not swim in equal conditions.

With best regards,

LEN Office
